## media advisory

### Tennessee Primary Care Association Presents Governor Bredesen With Highest Award

**Who:** Kathy Wood-Dobbins, CEO of Tennessee Primary Care Association will present Governor Phil Bredesen with the Association's William V. Corr Award. Also making remarks will be TPCA Board President Burt Waller and Tennessee Department of Health Commissioner Susan Cooper

**What:** The WILLIAM V. CORR AWARD of EXCELLENCE is presented annually by the Tennessee Primary Care Association and is awarded to an individual for outstanding leadership and commitment to bringing primary health care to underserved communities. It recognizes outstanding leadership resulting in health policy development or innovative program implementation in the state.

**When:** Tuesday, August 19th  
3:30pm CDT

**Where:** Old Supreme Court Chamber  
Tennessee State Capitol

**Why:** The Tennessee Primary Care Association (TPCA) will present the 2008 William V. Corr Award to Governor Phil Bredesen for his support of community health centers and his leadership in using information technology to bring health care to underserved areas of Tennessee.
