**OUR NEWEST AFFILIATIONS**

**FIRST NONPROFIT**

First Nonprofit was created over twenty years ago to help nonprofits better manage their unemployment expenses. This allows them to channel more funds back into the causes they champion. First Nonprofit’s Bonded Service Program provides a risk-free option specifically designed for each employer. Annual fees are based exclusively on the employer’s unemployment experience and employment profile—there are no shared risks or expenses. The program also provides access to additional benefits for human resources departments, such as professional unemployment claims administration, access to SPHR and PHR certified advisors, and SHRM & HRCI recertification credits at no additional cost.

---

**AFAXYS GROUP SERVICES**

We have partnered with Afaxis Group Services (AGS) to offer discounted pricing on women’s healthcare products and services your health center relies on every day. AGS negotiates favorable pricing through its group purchasing organization to facilitate discounts across a broad base of women’s health and family planning products. AGS has a strategic sourcing business model that supports our efforts of providing quality products and services at an affordable price. This will reduce your costs on IUDs, oral contraceptives, emergency contraceptives, and much more.

**CONTRACTS:**
- Afaxis Pharma
- Bayer
- Merck
- ASD (formerly Smith Medical Partners)
- Cooper Surgical
- Allergan

**PRODUCTS:**
- Oral Contraceptives
- Emergency Contraceptives
- IUDs
- Pregnancy Tests
- OB/GYN instruments

---

**EMAPP**

Afaxys offers an online, multi-vendor procurement system designed just for public health professionals called emapp® (eMarketplace and Purchasing Portal). By replacing manual, paper-based systems, emapp® enables streamlined supply-chain management facilitating savings across your entire organization.

**BENEFITS AND SERVICES**
- Shop from multiple suppliers in a single marketplace
- Use formularies, order approvals, and receiving to control costs and speed up order processing
- Supports single-click order placement with emapp suppliers

MEDICAL & 340B PHARMACEUTICALS

GSK's vaccine business develops, produces and distributes over 1.9 million vaccines every day to people across the world. GSK has a portfolio of over 30 pediatric, adolescent, adult and travel vaccines.

340B PHARMACEUTICALS

Abbott is a global leader in rapid diagnostic tests that deliver the right care, at the right time. Abbott’s comprehensive portfolio of tests for infectious disease, cardiometabolic disease and toxicology provides fast, reliable and actionable information that helps improve quality of care and enable better clinical and economic health outcomes. CPG offers national leading contract pricing for their Alinon A1c testing, determine combo HIV testing, and Cholestech rapid lipid testing.

Point-of-Care Testing

Quest Diagnostics empowers people to take action to improve health outcomes. Derived from the world’s largest database of clinical lab results, Quest’s diagnostic insights reveal new avenues to identify and treat disease, inspire healthy behaviors and improve health care management. Quest serves half of the physicians and health centers in the U.S.

Laboratory Testing

Midmark Corporation is committed to enriching experiences between caregivers and their patients by bringing clinical spaces, technology and workflows into harmony. Midmark offers full lines of exam chairs and procedure tables as well as workstations, casework, instrument processing, digital diagnostic solutions, and more—all designed to work together seamlessly. Midmark is dedicated to making healthcare safer and more efficient through location and rules-based automation, state-of-the-art software and real-time locating systems (RTLS) technology with the support of our expert consulting services to help improve patient care.

Medical Equipment Management

Edge Biomed is a different kind of service company that strives to be your one-stop when it comes to managing your medical equipment. Edge inventories and maintains each site’s equipment while tracking staff responsibilities such as vaccine schedules, tasks and certifications. Edge asset tags your equipment while simultaneously performing all OEM-recommended maintenance. Equipment is scanned, documented, and stored in their asset management web-based software, eBioTrack.

Medical Supplies & Equipment

McKesson delivers a comprehensive offering of health care products, equipment, technology, and service solutions to support community health centers.

• Distribution centers located regionally for quick and efficient delivery
• Local account representatives for regular visits and support
• Online supply management—order, track deliveries, pay invoices and access product saving tools
• Next day delivery/deliveries five days a week
• Capital equipment for your new facility

340B Pharmaceuticals

McKesson Pharmaceutical is a regional wholesale prescription drug supplier to health centers’ in-house pharmacies and neighborhood pharmacies at 340B discounted prices.

• Provides assistance in setting up pharmacy arrangements for health center patients
• Five day/week delivery from a local distribution center
• Order management systems that provide integrated solutions for pharmacy operations
• Pharmacy management systems for 340B pharmacies: product dispensing, claim adjudication, reconciliation, point of sale for prescription medications
• Macro Helix, a 340B plan administrator technology

340B Pharmaceuticals

R&S Northeast is committed to providing the best supply chain option, whether it is primary or secondary, to meet your 340B and non-340B pharmaceutical and medical supply needs. R&S Northeast supplies brand and generic pharmaceuticals including controlled substances C-II through C-V, Unit Dose, HIV/Herp C and diabetes medications. R&S Northeast’s primary focus is to offer 340B qualified entities products to provide consistency in care and pricing without financial commitment.

Vaccines

Cardinal Health’s community health center programs are designed and created specifically for healthcare facilities like yours. With a comprehensive suite of pharmaceutical solutions, Cardinal Health will address your population health management needs across the continuum of care, from HRSA compliance to medication adherence.

Exam Room Furniture

Midmark Corporation is committed to enriching experiences between caregivers and their patients by bringing clinical spaces, technology and workflows into harmony. Midmark offers full lines of exam chairs and procedure tables as well as workstations, casework, instrument processing, digital diagnostic solutions, and more—all designed to work together seamlessly. Midmark is dedicated to making healthcare safer and more efficient through location and rules-based automation, state-of-the-art software and real-time locating systems (RTLS) technology with the support of our expert consulting services to help improve patient care.
DENTAL SUPPLIES & EQUIPMENT

Henry Schein, Inc., a national full-service distributor, offers a comprehensive selection of dental supplies, equipment and solutions for Community Health Centers. Henry Schein provides over 120,000 branded products, 10,000+ private brand products, and exclusive and specialty products. Henry Schein also offers health center design planning, practice management software, e-commerce solutions, educational resources, and a broad range of financial services.

DENTAL LABORATORY

Arcari Dental Laboratory is a full-service dental lab offering dentures, cast partials, valplast partials, crowns, bridges, implants, and orthodontic appliances. Quality service and craftsmanship on all dental restoration procedures, made only with ADA approved materials that are guaranteed for five years against material and mechanical failures. Arcari accepts payments directly from patients and provides low-cost UPS delivery nationwide.

DENTAL SOFTWARE

Dentrix Enterprise from Henry Schein One provides a robust software solution that is highly customizable to your dental organization’s unique needs and environment. Dentrix Enterprise inter-operates with more than 40 different medical systems and offers:
- Access to patient records across locations with robust patient referral tracking
- Comprehensive dental/period charting, with integrated digital x-ray and intra-oral imaging capabilities
- HL7 interface communication with medical software
- UDS & FQHC reporting capabilities
- Meaningful Use Stage 3 reporting
- HSN [health safety net] billing
- Automatic sliding fee adjustments
- Automatic or manual encounter numbers
- Dental resident & student tracking approvals
- Caries risk assessment and/or periodontal index reporting

TECHNOLOGY

PURCHASING PORTAL

emapp® eMarketplace and Purchasing Portal is an online procurement system designed just for public health professionals. By replacing manual, paper-based systems, emapp® enables cross-communication between departments, facilitating greater fiscal responsibility across your entire organization.

BENEFITS AND SERVICES
- Fully automates ordering, approval, purchase order generation, tracking and receiving
- Adapts to most finance systems, enabling an efficient procurement process
- Provides an open marketplace so you can effectively and efficiently use more suppliers

COMPUTERS, HARDWARE & SOFTWARE

Connection is your one-stop-shop for all of your IT needs. Connection carries the latest products from manufacturers such as HP, Dell, Apple, Cisco, Lenovo, Microsoft, and VMware. They employ hundreds of certified engineers who design, install and support products sold. Connection is focused on the healthcare industry and can offer specialized equipment and services such as:
- Laptops and monitors
- Medical carts
- Point-of-care solutions
- HIPAA and security assessments
- Charity software pricing
- Pax monitors
- Provisioning of Apple devices
- Free ground shipping on all orders

TRAINING & COMPLIANCE

MedTrainer is a single-source training and compliance management software specifically designed for healthcare organizations. You can manage all you organization’s necessary training, documents, policies and procedures, incident reports, safety plans, SDS sheets, contracts and much more all utilizing a single software platform.

EMR & TECHNOLOGY ASSISTANCE

BlueNovo is a leading national provider of technology services. BlueNovo specializes in assisting safety-net organizations to achieve profound solutions to their strategic imperatives. Practice areas include EMR/PM training and support, IT hosting, EMR/PM implementation & optimization, EMR vendor selection assistance, EMR contract review & negotiation, and CIO services.
MASCO Services Inc. provides Call Center solutions to community health centers throughout the country. MASCO caters to all your incoming call requirements and maintains that very important first impression of your organization.

Call 4 Health has been an industry leader in providing exclusive medical answering services since 1997. Call 4 Health has integrated state-of-the-art technology with excellent customer service to provide clients with an award winning medical answering service.

Services include:
- Remote Receptionist
- Appointment Scheduling & Reminders
- Marketing/Ad Response
- Physician Referral
- Nurse Triage
- Telehealth

Certintell is a HIPAA and PHI-compliant, cloud-based telehealth platform that enables low-income patients and their safety-net providers to communicate via secure video & audio. It integrates seamlessly with leading FQHC Electronic Medical Records making it easier to add cloud-based telehealth solutions for the following industries:
- Behavioral health
- Chronic care management (CCM)
- Primary care
- After hours/urgent care
- Specialty care including dermatology, dentistry, and hepatology

3Derm is a clinically-validated teledermatology system with a mission to improve dermatology access. High-quality 2D and 3D images of skin concerns are captured at primary care and triaged by in-network dermatologists. 3Derm’s accuracy is on par with in-person dermatologists. This enables health centers to screen out nearly 60% of their dermatology referrals while patients with urgent conditions receive expedited in-person appointments.

For healthcare organizations serving diverse communities, Language Line Solutions offers high-quality telephonic interpreters at exceptional rates. Specializing in healthcare & social service interpreting, Language Line Solutions supports over 240+ languages, on-demand, 24/7.

Services include:
- Fast connection times, with 99.85% successful connection rate to interpreter on the first call
- No surcharge for setup, time-of-day, rare languages, third-party calls, or scheduled calls
- Video remote interpreting in 30+ languages
- On-site user training and local account manager support

Telelanguage interprets over 300 languages, 24/7/365, with an average telephonic connect time of 6-10 seconds. As one of the leading language service providers in the country, Telelanguage knows a thing or two about communication. From on-site interpretation to document translation, telephonic interpretation to video remote interpretation, Telelanguage can handle any of your language requests.

1 of a Kind Printing is a full-service printing company complete with writing and graphic design service. 1 of a Kind's produces brochures, posters, fliers, special order printing, carbon-less forms, letterheads, envelopes, appointment cards, progress notes, prescription pads, business cards, folders, signs, and more.
ZurickDavis is a healthcare executive search firm completing regional and national searches for C-suite business or clinical leaders at mission-driven community health organizations. With a national database, ZurickDavis has an extremely rigorous search process to identify, qualify and help CHC’s attract top-notch candidates. They also have other divisions focused on specialized recruiting:

- ZDmd is focused exclusively on recruiting physician leaders; chief medical officers and medical directors.
- ZDinterim places leaders into temporary roles.

Jackson & Coker is among the largest and most well-recognized healthcare staffing firms in the United States. The firm—offering staffing solutions for locum tenens, locums-to-permanent, telehealth and oversight—has created a custom-built programs across the country to optimize providers’ and clients’ telehealth offerings.

Founded in 1979, CHG Healthcare is the largest provider of locum tenens physicians and one of the oldest and largest healthcare staffing companies in the U.S. CHG Healthcare partners with the largest health systems to deliver top-quality providers at preferred prices, ensuring cost containment and uninterrupted patient care. Their family of brands includes Weatherby Healthcare, RNnetwork, CompHealth, Global Medical Staffing, and Foundation Medical Staffing. CHG Healthcare’s comprehensive services and geographic reach have made them the premier staffing partner for hospitals and healthcare organizations nationwide.

CompHealth offers permanent, locum tenens, travel, and other placements for healthcare providers. Though every temporary or permanent position is different, the goal is always the same: to match the right job with the right provider. CompHealth does that by getting to know you and what’s most important to you. With more than 1,000 specialized recruiters and in-house licensing, credentialing, travel, and legal teams, they take care of all the details, whatever the position.

RNnetwork exclusively recruits and staffs nurses—and even more uniquely—travel nurses. RNnetwork’s travel nurses typically have a more versatile, broader set of skills due to their ability and experience of working in different locations all across the nation. RNnetwork guarantees all of their nurses are prescreened for specialized opportunities and take pride in matching nurses only to health centers that will be a great culture fit. They even check-in throughout the placement to ensure everything is going smoothly between your health center and each nurse.

SFP Wealth is a full-service financial planning firm focused on developing effective retirement plans, executive benefit plans, and educational workshops to help make the jobs of employers easier. SFP also has access to an extremely competitive retirement plan platform that can be used across a wide variety of plan types at a drastically reduced cost. SFP will conduct a comprehensive retirement plan analysis, assessing plan design, investment provider & educational objectives.

QuickCred provides organizations a way to stay organized while creating efficiencies in the credentialing, privileging and payer enrollment process. For organizations who want to eliminate the credentialing process from their workflow, QuickCred can completely take over the process allowing your organization to focus on patient care.
**OUTSOURCED WASTE MANAGEMENT**

Innovative Cost Solutions (ICS) helps healthcare facilities across the country reduce their medical and solid waste and recycling costs. ICS found that CHC’s spend on average 90% more than they should on waste removal costs. Though ICS is not a waste removal company, they provide strategies and options your health center can utilize to make waste management more cost-effective with your existing vendors. With ICS, members see an average savings of 57% and if you don’t see any savings, you pay no fee to ICS.

**PAYMENT PROCESSING**

First Data Corporation is the global leader in electronic payment solutions. They make it easier for your organization to accelerate cash flow, reduce costs, and eliminate risks associated with check and cash handling.
- Receive funds faster by to electronic payments
- Decrease costs with free internet lines vs. costly phone line rentals
- Streamlined check acceptance process
- Paperless processing
- Eliminate bad checks & avoid theft

**BACKGROUND SCREENING**

Good Egg provides a solution that looks beyond the traditional background check. You won’t just get a comprehensive look back at a candidate’s past, you’ll get a look at their present and future behaviors, as well.
- Protect the safety of your workplace by running customized background checks on every prospective hire
- Maintain a productive, happy workforce by screening for drug and social media habits before you make a job offer
- Optimize the safety and productivity of your workforce through an ongoing monitoring program

**ELECTRICITY AND GAS**

VARO is your resource for making informed energy decisions. VARO uses a consultative approach to help you determine the best strategy behind your choice for electricity and natural gas supply services. VARO performs competitive bids to ensure a proper evaluation of products, rates and features to bring you the lowest cost for your energy choices and also provides ongoing support and analysis.

**COLLECTIONS**

TSI offers strategic end-to-end accounts receivable management and collection services for CPG members.
- Cost effective first or third party intervention
- Medical and dental resolution
- Self-pay recovery
- Monthly reporting on all accounts, convenient options for transferring accounts
- Interfaces with many practice management systems
- Minimize risk of accidental violations of state and federal collection laws

**INTEGRATED DISPATCHING**

ID-Queue integrates in-house services seamlessly through an online dispatch system. The system tracks service requests, staffing responses, and generates data which improves communication and workflow for healthcare teams. The online request system is simple to use and utilizes a systematic methodology that tracks requests in real-time and generates multiple data reports. No installation is needed, and all transactions are safe and encrypted.
- Enhance workflow for the following services:
  - Interpreter services
  - Integrated behavioral health
  - Insurance benefits enrollment
  - Building maintenance

**DOCUMENT MANAGEMENT**

GRM demonstrates technological leadership by bringing proprietary innovation and new levels of cost efficiency to document storage solutions, digital records management, data protection services document shredding services and healthcare release of information.

**STUDENT LOAN REFINANCING**

The Citizens Bank Education Refinance Loan® is the smart solution for reducing your student debt with no application, origination or disbursement fees and loan amounts up to $300,000 depending on your education level. Private or federal student loans can be consolidated into a single low-interest rate student loan with your choice of repayment terms that best suit your needs. CPG members also receive a loan credit that is effective after your first payment.
